

Opportunity # GN000009

Postdoctoral Position in Pain and Sensorimotor Research at: Department of Neuroscience, Physiology and Pharmacology, University college London, United Kingdom.

Deadline: 3 May 2022

Description:

Application are invited to join our multidisciplinary and highly collaborative research team as postdoctoral fellow.

This opportunity is available to investigate how early life experience shapes lifelong pain behaviour. Come join our multidisciplinary team at the Medawar Pain and Somatosensory Labs at UCL, in the heart of London.

Prior experience in neuroscience is a prerequisite. Knowledge of behavioural testing, genetic manipulations/circuit dissection and machine learning are all highly beneficial.

Please apply using [this link](#), and get in touch if you have any question (s.koch@ucl.ac.uk)

This position is funded by the Medical Research Foundation.
