

## Mathematical Methods in Computational Neuroscience school

**Deadline:** 30 Apr 2022

**Funding body:** FENS and IBRO-PERC

[FENS](#) and [IBRO-PERC](#) provide **4 stipends** of **750 EUR** for **Master and/or PhD students** interested in attending the [Mathematical Methods in Computational Neuroscience school](#) (hybrid), taking place on 20 July – 5 August 2022 at Fred Kavli Science Center, Eresfjord, Norway. Through these stipends FENS and IBRO-PERC aim to encourage and promote international experience of students; hence, students that are currently residing or studying in Norway are not eligible for a FENS and IBRO-PERC stipend to attend this course.

This school is organised by the [Norwegian Research School in Neuroscience](#), Norway
